

# **Friends of the Lehi City Archives**

## **Purpose:**

- To encourage the maintenance, safety and recording of Lehi City History-past, present, and future.
- To accumulate the historical photographs of Lehi and maintain, research and identify such pictures. The Friends of the Lehi City Archives will continue to help document the events and times of Lehi with current photographs.
- To accumulate the history of the people who walked the streets of Lehi from pioneers days to the 21st century. The History of Lehi is a History of individual People who made up Lehi. It is the goal of the Friends of the Lehi City Archives to tell their stories and to have a personal history on all people from Lehi.
- To accumulate and honor those men and women who fought in the wars from Lehi for our freedom. The war stories of these men and women will be accumulated for
- To accumulate books, journals, family history booklets, stories, musical recordings of Lehi artists, artwork, newspaper clippings, documents, letters, that tell the story of Lehi and its people.
- To educate the people of Lehi about its heritage and history. To foster educational programs to encourage the recording of personal histories.
- To have a place for people to come and learn and research about their ancestors that lived in Lehi.

## **Membership Requirements:**

- Be actively involved in the continued political support of Lehi City in their desire to maintain the Archives.
- Donate yearly five items to the Lehi Archives. These can be family histories, photographs, documents, articles, books, letters, or journals dealing with the life of Lehi. These can be old pictures to modern pictures of Lehi. These can be your written down stories about what you remember about Lehi or stories your parents told you. These donations should be very detailed about what they are and their significance. If there are pictures, the people in the pictures, the date, the place, the event, who took the pictures and what significance they are, if known, should be included with the photographs.
- Read the Lehi Archives stories each month. Consider writing and providing your own stories to publish or to be included in the Archives
- Write at four responses on items from the Lehi City Web Site-Archives
